

**Allotments Report
April 2022**

Brampton Parish Council rent the land for 60 allotments on Thrapston Road from Cambridgeshire County Council.

A further 19 allotments have been handed over to BPC on Brampton Park . All plots are allocated. A couple of plots are suffering from flooding issues and the boundary fence is proving to be inadequate. Remedies for both issues are being investigated.

Due to the Covid outbreak the awards for best allotment and best newcomer will not be awarded in 2022

An allotment can have physical and health benefits as well as fresh air and fresh fruit and vegetables all the year round. If you are interested in renting an allotment please contact the Parish Clerk or Assistant Clerk (tel. 454441). A waiting list is available should there be no plots available.

Mike Bainbridge,
Chair,
Allotments Committee
